

To,

The Vice-Chancellor,

BGC Trust University, Bangladesh

Through: Treasurer, BGCTUB

Subject: Application for 50% tuition fee waiver .

Sir,

It is to state with due reverence and honour that I am Md.Ala Uddin. I am a student of your university's CSE department. For your kind information, My father is an impoverished farmer and he is our family's sole source of income. With his limited income, it has become nearly impossible to feed the family members due to the massive rise in commodity costs this year. It's almost hard for him to pay my university fee to continue my education in this situation.

Therefore, my earnest request to you is to grant me a tuition fee waiver of 50% to continue my studies considering the financial condition of my family.

Yours Obediently,

Md. Ala Uddin
